ANIMAL ARMY

Hey Friends, it's time for a project which is by the community, for the community. Load up the meme cannons and fire at your own will.

What is Animal Army?

Animal Army is a memecoin Launched on the Binance Smart Chain. Our mission is to provide a fun, community-driven investment opportunity that celebrates the power of memes and pop culture. With a vision to become the leading memecoin in the market, we believe Animal Army is the perfect addition to any investor's portfolio. Join us on this journey to revolutionize the world of memecoins!

About:

Animal Army is the going to be most famous meme of all time. Animal Army is destined to reach every corner of the earth, and will be a symbol for so much. It is a proof of the true power of meme magic, thanks to the power of anonymous communities and meme enthusiasts. It's time to take the power back, and show the world the true power of the Animal Army.

Vision:

It's time for a Meme which encourages the true vision of community magic and decentralized finance. This is the Meme of all Memes. A Project which is by the community, for the community.

According to the true philosophy of DeFi and memecoins, it is traded on the open market, where everyone is treated the same way. Everyone can buy and sell however they'd like, with no restrictions. Animal Army has ABSOLUTELY NO blacklisting of ANY buyer. NO taxes. There is NO centralized owner of the contract. The community is the owner of the project. That's it.

Animal Army is the true Meme for its community, which encourages community, memetic warfare against normies and financial freedom following the philosophy of DeFi.

Animal Army – Airdrop

To Animal Army, we will soon announce an AIRDROP of a very large amount. Listings on exchanges will also be announced, so stay tuned for updates on the project's social media channels.

Future of Animal Army

The intention of project goes beyond listings on major exchanges. We have plans to create our own DeFi wallet on blockchain that will attract your attention. It will be fully decentralized. Our goal is to develop

this wallet and introduce our own cryptocurrency as quickly as possible. A portion of the funds raised from ANIMAL will be allocated to the creation of this wallet and its listing and marketing efforts. Once the wallet is established, a portion of the coins from this blockchain will be distributed among ANIMAL token holders.

Animal Army is going to grow stronger day by day. Follow us on our social media platforms to get the most up-to-date, and accurate information on ANIMAL.
